

Make The Right First Impression with Your Candidates.

Introducing the new Candidate Hub, powered by Sterling—designed to impress and engage from the start.

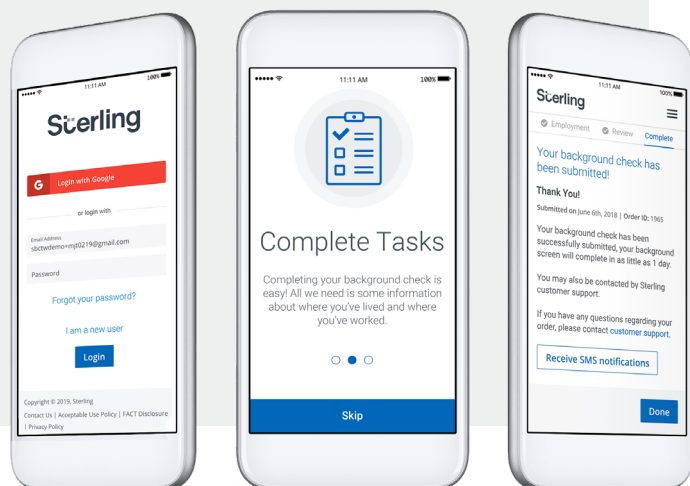

The global workforce is evolving. Adapting the new trends has become essential to ensure longevity and success of organizations. Hiring great people is one of the keys to scaling a world-class organization and competing in the marketplace.

Creating a positive recruitment experience is now more important than ever. After all, when a candidate has a positive experience, they recommend your organization, product and brand to their friends and colleagues, helping you stay competitive and grow.

At Sterling, our goal is to help you create this positive recruitment experience, which starts with making the right first impression with candidates—and it's a crucial step to ensuring their success at the company.

Attract your new hires right from the start with our new Candidate Hub.

Candidate Experience

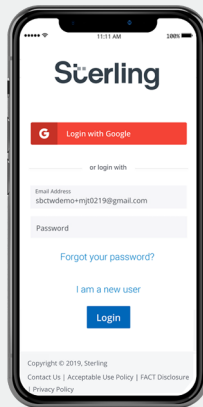

It all starts by making it easier than ever to screen from anywhere, anytime. Designed with candidate satisfaction at its core, our candidate hub ensures a smooth and engaging process, all in a clear, simple-to-understand and easy-to-use, mobile design.

Screen anytime, from anywhere.

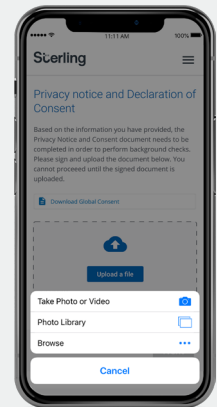

Save your candidates time.

Ensure a smooth completion process.

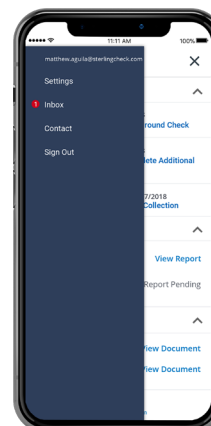

Reduce anxiety and uncertainty by keeping them engaged:

SMS Notifications - Keeps candidates informed during the process.

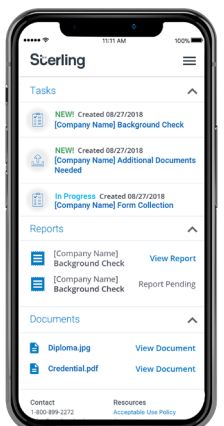

Activity Center - The Activity Center keeps track of uploaded documents and those that are still missing. Once the data collection is complete, candidates can schedule tests to finalize the process.
