Built On Trust

Discover the difference that's making the world a safer place

Mission

We provide a foundation of trust and safety our clients need to create great environments for their most essential resource, people. We believe everyone has the right to feel safe.

Deep Industry Expertise

The staffing leadership team has over 40 years of combined background screening and staffing industry experience. We draw upon deep knowledge and extensive data to advise of considerations, trends and risk factors in the industry.

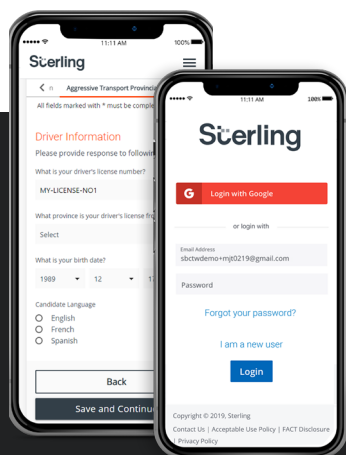

Commitment to Innovation

Our proprietary artificial intelligence (AI) rule-based engine allows us to deliver industry leading turnaround times, while continuously increasing quality and accuracy.

Unrivaled Client Success

At Sterling, our business is ultimately about people. Our award-winning client service includes dedicated account managers and implementation teams to enable program success.

Candidate Experience

At Sterling, our goal is to help you create a positive recruitment experience. Our seamless, user-friendly process will help you build a larger talent pool, faster.

Candidate Satisfaction - a smooth process with an easy-to-use mobile design.

SMS Notifications - get alerts for project updates, tasks, reports and document access.

Activity Center - track data collection and schedule drug tests to finalize the process.

ABOUT STERLING

Sterling—a leading provider of background and identity services—provides background, identity verification, and Covid-19 health testing services that help over 40,000 clients create people-first cultures built on foundations of trust and safety. Their tech-enabled services help organizations create great environments for their workers, partners, and customers. With operations around the world, Sterling conducts more than 75 million background checks annually. Visit Sterling online at sterlingcheck.com.
