

Franchise Partner Program

Protect Your Brand and Investment

Hire Fast. Hire with Confidence

Sterling has a Franchise Partner Program to help franchise businesses get new hires to work sooner, maintain consistency in their screening program and reduce hiring risks. The program offers franchise companies the ability to have all its franchisees use the same service for employee background checks.

Protect Employees and Customers

Positive customer experiences is a top priority as they are more likely to return, and the same can be said for employees. A safe workplace helps both employees and customers feel good about the company they do business with, and Sterling is committed to helping ensure that safety.

Unrivalled Client Service

At Sterling, our business is ultimately about people. Our award-winning client service includes dedicated client success partners and implementation teams to enable program success.

“ Since bringing in Sterling as an approved vendor for our Weed Man franchisees, it has given them an easy-to-use online system to help ensure that they hire the best candidates. The online background screening is easy to use, and our franchisees can choose from a number of options they see fit to give them the best background screening and identity services at a reasonable cost.”

A Simple And Safer Way To Hire

Background Checks: Pivotal to Your Hiring Process

In addition to creating a safer environment for your employees and customers, conducting pre-employment background checks can help your company be aware of a candidate's criminal history. This valuable information can assist you in determining employment eligibility while promoting workplace safety and protecting your brand.

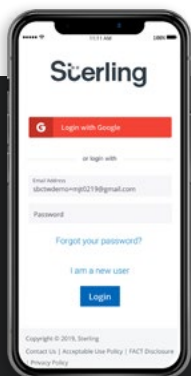

Customize Your Screening Package

Once you've selected your screening package, you can add additional service options to your order:

- Continuous Driver Monitoring
- Employment and Education Verification
- Drug and Health Testing
- Covid-19 Testing
