

Background Checks Designed to Screen Your Gig Drivers

From Ridesharing to Deliveries, We Automate Driver Monitoring

No matter how you refer to your drivers — last mile, contracted, gig, hired/non-owned — we've got you covered. Our solutions are designed increase visibility of MVR reports to help improve trust and safety and reduce your company's risk with automated, ongoing MVR and criminal monitoring.

Criminal Background Checks

Our Screening solutions are built on powerful proprietary technology that automates complex workflows and delivers high-quality results based on local, state, federal, or global checks.

Motor Vehicle Record Checks

Promote safety and compliance using Sterling's Motor Vehicle Record (MVR) checks to navigate regulations with Federal Motor Carrier Safety Administration (FMCSA) and Department of Transportation (DOT).

On-going Monitoring

Protect your brand against risky candidate behavior with Sterling's proactive workforce monitoring solutions. Collect data for up-to-date information about your candidates automatically.

Identity Verification

Sterling's partnership with ID.me provides clients with additional candidate verification utilizing biometric data reinforced by SSN trace to reduce identity fraud.

Drug & Health Screening

Our drug & health screening services are housed within our powerful, extensive collection network of 20,000 clinics nationwide with global capabilities.

The Sterling Difference

Continuous Monitoring

Automatically be alerted when gig workers driving on behalf of your company commits a violation, whether MVR or criminal.
