

Background Screening for Franchises in the Hospitality Industry

Sterling's Background Screening Portal for Hospitality Franchises allows us to offer preferred pricing, industry leading turn-around times, and packages designed specifically for your hotel franchises.

Simple, Secure, and Streamlined Process

You vetted your screening service provider for quality — shouldn't your franchisees be using the same quality services? Our portal ensures that your franchisees are screened with your established criteria in an easy to navigate portal. Our portal offers engaging, time-saving features, and streamlines the data collection process.

Prioritize Safety for Employees and Guests

In an industry with high levels of person-to-person interactions, background checks help you create an environment of trust and safety for your employees and guests. Our background screening packages prioritize safety regardless of your franchisee size and geography. We offer a consultative approach and customizable packages to suit all of your needs.

Keep Your Hotel's Brand Reputation Intact

Approximately 1.5M workplace assaults occur every year. Keep your hotel's reputation intact by ensuring your employees don't have a history of criminal violence. Our background checks offer access to more U.S criminal records, DOJ Sex Offender Database Check, and Drug Screening, and more.
