

## Background Screening for Tech Industry Contingent Workers

Easily background check your contingent workers with our simple, streamlined, and secure background screening portal.

### Simple

With Sterling's broad suite of services, you can customize your contingent workforce screening program to fit your business needs. We then provide your contingent workers with an easy-to-navigate portal where they can self-sign and enroll as a participant of your workforce program.

### Streamlined

All background checks are not created equal, and our automated workflows provide a streamlined process for the quality checks you trust. Sterling's best-in-industry platform and service offerings allow for an easy-to-use experience. Our portal offers engaging, time-saving features, and streamlines the data collection process.

### Secure

You vetted your screening service provider for quality — shouldn't your contingent workers be using the same quality services? Our portal ensures that your contingent workers are screened with your established criteria.
